

# Dr. ANKITA SRIVASTAVA

Demographer/Statistician

## My Contact

- ✉ ankita.srivastava148@gmail.com
- ☎ +91-8898760295
- 📍 New Delhi
- 🔗 <https://www.linkedin.com/in/ankita-srivastava-jnu/>
- ORCID ID: 0000-0002-8747-5927

## Research Interests

- Maternal & child health and nutrition; Demographic projections and modelling; Bayesian approach to forecasting;
- Fertility & mortality forecasting; measuring ageing;
- Statistical demography; Spatial and geographical analysis;
- Large-scale survey research; (NSSO, DHS, NFHS, LASI, Census, GH5050, WHO-Sage, PLFS, Time use surveys, ASI; European Mortality database, Human Mortality Database; Global Burden of Disease (GBD) – IHME; UN-World Population Prospects (WPP); UN-World Urbanisation Prospects; Multiple Indicator Cluster Survey (MICS); etc.)
- Socio-economic determinants of Health;
- Gender dynamics of climate change

## Educational Background

- **Doctoral of Philosophy (PhD) in Population Studies**, Completed in 2022  
*Jawaharlal Nahru University, New Delhi*  
**Thesis:** National and Subnational Projections of Aging in India: A Probabilistic Approach, under guidance of **Prof. Nandita Saikia**
- **Masters in Population- 2014 (Gold Medalist)**  
International Institute for Population Sciences, (IIPS) Mumbai
- **MPhil in Population - 2015**  
Mahatama Gandhi Kashi Vidyapeeth, Varanasi
- **Masters of Science, Major in Statistics (Gold Medalist)**  
Completed in 2013  
VBS Purvanchal University, Varanasi
- **Bachelor of Science, Major in Statistics and Mathematics**  
Completed in 2009

## About Me

A seasoned expert in population studies with extensive experience in public health, demography, spatial analyses, and labor force research. Holding a Ph.D. in Population Studies and a Master's in Statistics, I excel in data analysis, survey methodology, and project consulting. Proficient in SPSS, STATA, R, Python, SQL, GeoDa, QGIS, PowerBi, Tableau, ATLAS.ti, NVivo and experienced in conducting and coordinating qualitative surveys, I am dedicated to delivering impactful research outcomes through strong analytical skills.

## Software Knowledge

Proficient in **MICROSOFT OFFICE SUITE (Word, PowerPoint, Advanced Excel), SPSS, STATA, R, Python, SQL, Tableau, Power BI, ArcGIS, QGIS, GeoDa, SPECTRUM, MORTPAK, MLWIN, E views, ATLAS Ti, NVivo, EndNote, Mendeley, Zotero, ProFamy, KOBO, Canva and Internet applications**

## Professional Experiences

**UNICEF INDIA - Institute of Economic Growth, New Delhi |**  
**Role: Junior Consultant | Client: UNICEF INDIA**

**Project: UNICEF SP4N (Strengthening Evidence to Action Agenda for Cash Plus for Nutrition)**

Key Responsibilities:

- Conduct secondary data analysis and synthesize global evidence on childcare, maternal employment, and nutrition.
- Lead qualitative research (interviews, FGDs) with mothers, crèche workers, and local stakeholders.
- Develop policy briefs and translate findings into actionable insights.
- Support consultations under West Bengal's Kanyashree Prakalpa and cross-sectoral indicator reviews.
- Assist in stakeholder mapping, documentation, and coordination with UNICEF's Social Policy and Nutrition teams.

**GENESIS ANALYTICS PROPRIETARY LIMITED, South Africa |**  
**Role: Demographer | Client: UNICEF ECARO**

April-2025 - June 2025

**Project: Generation 2050 in Central Asia**

## Key Responsibilities:

- Led demographic projections and analysis across five Central Asian countries using World Population Prospects (WPP), DHS, censuses, and labor surveys.
- Developed methodological frameworks and assessed indicators on health, education, labor, gender, and climate vulnerability.
- Supported inception report, stakeholder engagement, and sectoral integration through desk reviews and analytical inputs.
- Produced population typologies and sectoral insights to inform investment planning and policy design.
- Co-authored reports, country annexes, and advocacy materials; created dashboards and CCRI-based overlays using R, Python, Stata, Excel, and Power BI.

## Past Professional Experiences

### International Centre for Research on Women (ICRW) | Data Consultant

Dec-2024 – April 2025 (4 months)

*Women and climate*, Study Area: Rann of Kutch, focuses on analyzing the health impacts of salt farming on marginalized communities

#### Key responsibilities:

- Analyze monitoring data and provide program insights; develop and support STATA syntax usage for data analysis, manage data and plan deeper analysis.
- Clean and analyze quantitative data; finalize analysis plans.

### National Institute for Urban Affairs under Ministry of Housing and Urban Affairs, GoI | Research Fellow

Feb-2024 – October 2024 (9 Months)

#### Projects:

#### 1. World Bank supported study on Knowledge Product of India Urbanization Review with focus on urban jobs and urban economics

#### Key responsibilities:

- Analyzed reports and studies on urbanization and economy in India.
- Evaluated state-level reports from economic divisions and urban development departments.
- Investigated spatial growth and economic geography of census towns.
- Applied statistical methods to identify patterns in urbanization and job creation.
- Conducted land use land cover mapping (LULC) and labour analysis to understand employment trends.
- Engaged with stakeholders and subject experts for insights.
- Developed case studies to illustrate data findings and policy implications.

**2. KfW Bankengruppe** supported study on gender-related inequalities of climate vulnerability in Indian cities and the suitable options to promote gender sensitive urban climate adaptation in the German Financial Cooperation (FC)

#### Key responsibilities:

- Planned and conducted research activities as per project deliverables.
- Reviewed literature to understand research challenges.
- Mapped stakeholders and conducted consultations and key informant interviews.
- Organized and managed primary surveys in urban slums of Chennai, Rishikesh, and Hardwar.
- Analyzed and interpreted primary and secondary data; maintained databases.
- Drafted research policy briefs, study reports, and papers.
- Supported tasks assigned by the Team Leader/Director.

#### 3. Preparing National Institute of Urban Affairs, "Handbook of Urban Statistics-2024"

#### Key responsibilities:

- Analyzed multiple raw data sources (Census, NSSO, NFHS, PLFS, DHS, AHS) for developing urban indicators.
- Prepared "Handbook of Urban Statistics-2024" covering urban demography, socio-economic profile, amenities, employment, sanitation, and transportation.
- Conducted occasional book/articles reviews for the Urban India and Environment and Urbanization Asia Journal at NIUA

### International Institute for Applied Systems Analysis (IIASA), Austria | Research Assistant

June 1st to August 31st, 2018 (3 months)

#### Key responsibilities:

- Writing a research paper on new measures of ageing that account for life expectancy changes, which gave more robust result of ageing and showed slower rates of ageing than their conventional counterparts.

### VART pvt LTD | Consultant and Trainer | Manuscript Mentor

2021 – Present (4 years 2 months)

- Key responsibilities:
- Demonstrated and trained participants how to extract NSSO data using STATA and MS Excel.
- Training on Spatial Data analysis with QGIS & Geoda Software.
- Mentored participants to develop research papers
- Website: <https://www.vartindia.com/our-team/>

## International Centre for Research on Women (ICRW) | Data Consultant

August 2022 – December 2023 (1 year 4 months)

Engaged on multiple projects like **PANKH, UMANG, LSC, and GEMS** projects

Key responsibilities:

- Analyze monitoring data and provide program insights; develop and support STATA syntax usage for data analysis.
- Train team on syntax, review tables, and provide feedback; manage data and plan deeper analysis.
- Clean and analyze quantitative data for states; finalize analysis plans.
- Prepare briefs, slide decks, reports, and dissemination materials; conceptualize, analyze, and interpret data.
- Synthesize research findings; assist in planning and preparing scientific manuscripts for publication.

## ICRW | Data Analyst | Global health 5050 (GH5050)

December 2021 to January 2022 (2 months)

Key Responsibilities:

- Constructing and compiling a comprehensive COVID dashboard with sex-segregated data,
- assisting in data management and analysis,
- validating data from various sources,
- cross-checking indicators, cleaning data,
- preparing datasets for upload, and creating regional reports.

## ICRW | Data Analyst

December 1 2016 to January 30 2017 (2 months)

Key Responsibilities:

- Construction of life tables for smaller states of India using indirect method of estimation for the year 1981 to 1991

## Indian Association of Parliamentarians on Population and Development (IAPPD) | Research Assistant

May 2019 to August 2019 (4 months)

Project 1. Status of Sex Ratio at Birth in India, 2020  
Project 2: Elderly Population in India: Status and Support Systems 2020

Key Responsibilities:

- Collecting literature and large datasets from various sources
- Tabulating, preparing maps, charts, and report writing compiling and analyzing large datasets

## International Institute for Population Sciences (IIPS), Mumbai | Project Officer

June 2015 to July 2016 (1 year 1 month)

Key responsibilities:

- Review of literature, Revision of Sampling of project, Data Mining, Data cleaning, Data Editing, Statistical Analysis using STATA 13.0 software, Tabulation of results, Report writing, preparation of Project Progress report, and additional responsibilities allotted by Project coordinator.

## Shri Agrasen Kanya Autonomous Post Graduate college, Varanasi | Lecturer

Aug 2012 to May 2013 (10 months)

Key responsibilities:

- Teaching Statistics to UG and PG classes. The papers taken for teaching: Statistical Method, Statistical Inference, Real Analysis & Linear Algebra and Stochastic Process, Sampling & Operational Research..

## Awards & Honours

1. Honoured with **Dr. C. Chandrasekaran Gold Medal** for securing first rank in MPS 2013-14 batches from International Institute for Population Sciences (IIPS), Mumbai, India.
2. Awarded a **Gold Medal for standing first class first in M.Sc. (Statistics)** in Mahatma Gandhi Kashi Vidyapeeth University, Varanasi, Uttar Pradesh, India.
3. **Government of India Fellowship** for pursuing MPS and M Phil Course in International Institute for Population Sciences from 5 July, 2013 to 26 May, 2015.
4. Qualified Government of India, **University Grants Commission-National Eligibility Test (UGC-NET)** for the eligibility for Assistant Professor in India, December 2013.
5. **IUSSP Travel Grant** to participate in XXVIII IUSSP International Population Conference to be held 29 October-4 November 2017 in Cape Town, South Africa.
6. Awarded the **Indian Council of Social Science Research (ICSSR) Centrally-Administered Full-Term Doctoral Fellowship** in the Year 2019-20, (Rs 20,000 per month) for completion of Ph.D
7. **Awarded the prestigious IIASA Young Scientist Summer Program (YSSP) Fellowship Grant (2018), Austria**  
Selected for a three-month summer school fellowship at the International Institute for Applied Systems Analysis (IIASA), Austria, as participant of the highly competitive **YSSP 2018**.

## Invited Talks

-Invited as a speaker for the prestigious IUSSP webinar 'IUSSP: The World Community of Population Specialists and Its Relevance for Indian Scientists' on September 15, 2023, from 17:00 to 18:30 (India Standard Time) in hybrid mode. Topic: "Experiences of student members of IUSSP."

<https://iussp.org/en/iussp-world-community-population-specialists-its-relevance-indian-scientists>

-Invited as a speaker in the "Five-day residential Faculty development program for RCI registered professionals," funded by RCI at the Department of Prosthetics and Orthotics of Pandit Pt. Deendayal Upadhyaya National Institute for Persons with Physical Disabilities (Divyangjan), New Delhi. Topic of the talk is "Various software use in research" scheduled on 19th Oct 2023, 11:30 to 12:30 pm

## Field Work Experience

-Carried out a primary research study on "Women's work participation in order to support their family" in Govandi Slum, Mumbai Maharashtra in February 2015.

-Carried out focus group discussion as a part of KfW project at NIUA in slums of Greater Chennai Corporation, on gender vulnerability of climate change, mitigation and adaptation

## Reviewer for International Journal/Conferences/Workshops

- **IUSSP International Population conference 2025, Brisbane, Australia**
- PLOS ONE, Journal
- Environment and Urbanization Asia, Journal
- Demography India
- IUSSP panel on lifespan extension in collaboration with CSRD, Jawaharlal Nehru University, Delhi Max-Planck Odense Centre on the Biodemography of Aging, Denmark Australian National University, Australia at Jawaharlal Nehru University, April 2017.
- "Demography of Gender Bias" organized by Centre for the Study of Regional Development, Jawaharlal Nehru University (JNU), New Delhi & Institut de recherche pour le développement (IRD), France, March 2017.
- "Population, Health and Society in India through the lens of the latest NFHS round", organized by Centre de Sciences Humaines (CSH) and centre population et développement (Ceped), Delhi, December 2018.

## Independent Research Experience

-Carried out a quantitative research work/term Paper as a part of Master of Population Science on the topic "Levels, Trends and Differentials of perinatal mortality in India" during April-May 2014.

-Carried out a research work/Dissertation as a part of Master of Philosophy in Population Studies on the topic "Extent, Pattern and Determinant of Perinatal Mortality in India" from Dec 2014-April 2015.

## International Conferences (Paper Presentations)

- Presented paper titled "What explains stillbirth in India? A large-scale study to discuss the levels, trends and determinants of stillbirth in India since 1970-2012" in the International Seminar on Mortality Analysis and Forecasting, organized by the IUSSP panel on lifespan extension in collaboration with CSRD, Jawaharlal Nehru University, Delhi Max-Planck Odense Centre on the Biodemography of Aging, **Denmark Australian National University, Australia** at Jawaharlal Nehru University New Delhi, India, 6-8 April 2017.
- Presented paper titled "What explains stillbirth in India?" for presentation in the session "Biological factors affecting child health and survival" at the XXVIII IUSSP International Population Conference, 29 October-4 November 2017 in **Cape Town, South Africa**.
- A comparative study of early neonatal deaths in selected South Asian country" has been accepted for presentation in "Poster Session: Health, mortality and longevity" at the XXVIII IUSSP International Population Conference, 29 October-4 November 2017 in **Cape Town, South Africa**.
- Factors affecting non-use of family planning services in India" has been accepted for presentation in the session "Poster session: Sexuality and reproductive health" at the XXVIII IUSSP International Population Conference, 29 October-4 November 2017 in **Cape Town, South Africa**.
- Paper presented at the 2021 IUSSP International Population Conference titled, "Probabilistic projection of subnational total fertility rate in India and its 15 major states, 1950-2100" in the session "138 Fertility in India: Present and Prospect" at the **2021 IUSSP International Population Conference** at 4:00 - 5:30 UTC on Wednesday 8 December 2021.
- Paper presented at the **2021 IUSSP International Population Conference** at 4:00 - 5:30 UTC on Wednesday 8 December. Srivastava, A., Tamrakar, V., Naaz Akhtar, S., Kumar, K., Chand Saini, T., & Saikia, N. (2020). Geographical Variation in COVID-19 Cases, Prevalence, Recovery and Fatality Rate by Phase of National Lockdown in India, March 14 - July 31, 2020, in the session "46 Geographic Analysis of Mortality and Health, on 12/7/2021 at 4:00 - 5:30 UTC.

## International Seminars/Workshops

- Attended with full funding, for Twelve days training workshop on **“Demographic Analysis with Applications to Aging Societies”, Bangkok, Thailand**, November 20 – December 1, 2017, organized by the College of Population Studies, Chulalongkorn University and the International Institute for Applied Systems Analysis (IIASA).
- Attended “IUSSP2017: Two-Day Short Course: **Bayesian Population Projections: Theory and Practice**”, **Cape Town, South Africa** October 28–29, 2017
- Attended five days of Summer School “Demography, Human Capital and Economic Growth” organized by “The Wittgenstein Centre for Demography and Global Human Capital” (IIASA, VID/ÖAW, WU) in collaboration with the **Asian Demographic Research Institute (ADRI), Shanghai University**, 19–23 June 2017
- Attended IUSSP Count down event, “Introduction to Multistate Analysis of Population Dynamics” organized by the **IUSSP Early Career Network and the Australian National University** on Friday 3 December 2021; 7:00 AM Central European Time
- Attended IUSSP count down event, “Subnational Probabilistic Population Projections”, a Short 6- hour course, over 2 sessions, organized by the **University of Washington**, Organizer: Adrian Raftery (University of Washington); Date and Time: 3 and 4 December 2021

## National Conferences (Paper Presentations)

- Presented paper entitled “A New Look at India’s Ageing: Regional Variation of Aging Based on New Indicators of Age, among 18 Indian States, 1991–2011” under YOUTH BEST PAPER AWARD COMPETITION at the 16th Annual Conference of the IASSH on “Health, Well-being and Regional Development: Emerging Issues and Challenges” to be held jointly with the Centre for the Study of Regional Development, Jawaharlal Nehru University, New Delhi, 10–12 December 2018.
- Presented paper entitled “Levels, Trends and Differentials of Stillbirths in India”, at 38th Annual Conference of IASP on the theme “Population, Health and Development”, December 20–22, 2017 at Andhra University, Visakhapatnam, India.
- Presented paper titled, “A Large-Scale Study on Early Neonatal Death in India: Evidence from NFHS-3” in the National Conference of the IASSH on “Health and Development: Research Practice and Policy” in “Youth best paper” category at Department of Demography and Population Research Centre University of Kerala Thiruvananthapuram, 10–12 December 2015

Conti...

- Presented Paper titled, “Levels, Trends and Differentials of Perinatal Mortality In India” in the National Seminar on population, Health and Development at the XXXVI Annual Conference of Indian Association for the study of Population (IASP) held at **University of Kerala, Thiruvananthapuram, Kerala** during 07–09 November, 2014.  
(Poster sessions)
- “Barriers and facilitators of family planning in India”, has been accepted for the poster session at 38th Annual Conference of IASP on the theme “Population, Health and Development”, December 20–22, 2017 at **Andhra University, Visakhapatnam, India**.
- Tamrakar, V., Srivastava, A., Saikia, N., Parmar, M. C., Shukla, S. K., Shabnam, S., Boro, B., Saha, A., & Debbarma, B. (2021). District level correlates of COVID-19 pandemic in India during March–October 2020. PLOS ONE, 16(9), e0257533 in the Poster session dated 16/12/2021 at 9:00 – 10:30 UTC at the **2021 IUSSP International Population Conference, Hyderabad India**.

## National Seminars/Workshops

- Attended two days’ workshop on “Population, Health and Society in India through the lens of the latest NFHS round”, organized by Centre de Sciences Humaines (CSH) and Centre population et développement (Ceped), Delhi, December 13–14, 2018.
- Attended three days pre-conference workshop on “Advanced Methods in Large-scale Data Analysis” organized by “Indian Association for Social Sciences and Health (IASSH), in collaboration with Centre for the Study of Regional Development, Jawaharlal Nehru University (JNU), supported by United Nations Population Fund, New Delhi, December 7–9, 2018
- Attended two days’ workshop on “Plagiarism and reference management tools” organized by Dr. B.R. Ambedkar Central Library, Jawaharlal Nehru University (JNU), New Delhi, 30th June– 1st July 2017.
- Attended five days training workshop on “Demography of Gender Bias” organized by Centre for the Study of Regional Development, Jawaharlal Nehru University (JNU), New Delhi & Institut de recherche pour le développement (IRD), France, from 20–24 March 2017.

.Conti...

- Participated in the six days workshop on "Monitoring and Evaluation" sponsored by United Nations
- Population Fund (UNFPA), New Delhi, organised by IIPS Alumni Association (IIPSAA), in collaboration with IIPS at ICT unit, IIPS Mumbai, during December 20-25, 2014
- Attended three days' workshop on "Approaches to Social Science Research", from 21 to 23 November, 2014 organised by "Indian Association for Social Sciences and Health (IASSSH), in collaboration with G.L. Gupta Institute of Public Health, University of Lucknow, Uttar Pradesh.
- Participated in the workshop on "Gender, Development and Environment" sponsored by United Nations Population Fund (UNFPA) organized by International Institute for Population Sciences Alumni Association (IIPSAA) in collaboration with International Institute for Population Sciences (IIPS) and Population Environment-Settlement (POP ENVIS) Project, Mumbai during August 11- 14, 2014.
- Attended the two days' workshop on "Environment Sustainability and Modeling" from 13th to 15th May, 2014 organized by the Population-Environment-Settlement (Pop-Envis), Project of the Ministry of Environment and Forests (MoEF).

## List of Publications

### Published Article:

### Professional Memberships

---

- Life Member of the Indian Association for Social Sciences and Health (IASSH)
- Life Member of the International Institute for Population Sciences Alumni Association (IIPSAA).
- Life Member, Indian Association for Population Studies (IASP)
- Annual Member, International Union for the scientific study of the population (IUSSP)
- Annual Member, Asian Population Association (APA)

### Extracurricular Activities and Other Skills

---

- Awarded National Cadet Corps “C” certificate with “A” grade in the district during 2007
- Participated in various cultural activities at school and college levels.
- Leadership skills, communication skills, organizing and management skills, analytical skills, assertive, team work, positive attitude, ready to face challenges

### Language Proficiency

---

- Hindi (Proficient),
- English (Proficient),
- German (Beginner level)

### Country of citizenship

---

India

### Countries Visited

---

- China,
- South Africa,
- Thailand,
- Austria,
- Germany,
- Hungary,
- Slovakia,
- Spain
